Dedication

We, the graduating class of Tenney Memorial High School, proudly dedicate this yearbook to Mr. William E. Russell, our class advisor. The many services he has performed for the school, the athletic teams, and the students of the high school will long be remembered and appreciated. His friendly countenance and keen sense of humor have endeared him to the student body. It is indeed an honor to dedicate the Torch of 1964 to a man who has so unselfishly given of himself and who has won the esteem of everyone.

Foreword

We have spent four of the most memorable years in our lives at Tenney Memorial High School. It is the sincere wish of all the members of the Torch Staff of 1964 that this yearbook will recall fond memories when you look back on it in future years. Preparing the Torch for you has been a great pleasure, and we hope that you will enjoy it.

The approaching graduation will find the Class of 1964 prepared to meet the world from which we have been sheltered during our twelve years of schooling. We are prepared, both mentally and emotionally, to face the realities and the aspirations of our community and our nation.

As we take up the burden of citizenship and maturity, I pray that each member of the graduating class will possess the strength and wisdom to obey the rules of his community of his conscience. May the Class of '64 find success, happiness, and peace in this crowded world.
